"NOCI Awards Program"

Have your dog honored with a plaque

At its annual awards banquet, NOCI recognizes titles and major awards won by its members by giving each handler/dog team a plaque listing its accomplishments. Each year the plaque is updated to reflect new accomplishments.

As written in the club bylaws, these are things you must do to be eligible for a plaque.

Submit a record of your accomplishment on a NOCI score report form.

To submit a score report, go to tinyurl.com/nociscore and enter the relevant information. To submit a score report in writing, download the form from the club website, fill it in, and place it in the "WOOF Box" in the club office, or mail to the awards chairperson (Judy Gemperline) All score reports MUST be submitted by December 31 of the year in which the title was earned. If you do not meet the deadline, the club will not pay for the engraving/ plaque.

Provide one service to the club during the calendar year.

Fill out the service form so we have a record.

Attend at least one general membership meeting during the calendar year. Be sure to sign the attendance sheet whenever you attend a meeting.

Due to the increasing number and expense of these awards, the club will be adhering to these guidelines very strictly.

If you are eligible for a plaque you will receive a letter in early January listing the titles and awards which will go on the plaque. You will be asked to check it for accuracy and return it so that the plaque can be made or updated. You will receive the plaque in March at the awards banquet (or pick it up in the office later if you do not attend the banquet). Detailed instructions will come with the award letter in January.
